

Katrin System Toilet Paper Dispenser with Core Catcher

77472

- Katrin System toilet paper dispenser is suitable for washrooms with high frequency due to its high capacity.
- Capacity for two toilet paper rolls (= 1,600 sheets) ensures there is always enough paper.
- With convenient core catcher for a clean and tidy washroom.
- Seamless paper removal thanks to automatic roll transfer system.
- Controlled consumption thanks to adjustable roll brake.
- Transparent sides make it easy to see when the dispenser needs refilling.
- The second roll can be inserted while the first is still in use, so paper is always available.
- Only when the first roll is completely used up does the second roll automatically falls into place, so no paper is wasted.
- Thanks to the optimised design, the paper is always at the front of the dispenser opening for easy access.
- Free choice of using the locking function (with or without key).
- Main raw materials of major plastic parts and lock: ABS (Acrylonitrile butadiene styrene), PC (polycarbonate), POM (polyoxymethylene).
- Katrin Inclusive dispensers are resistant to high temperatures.
- Comply with UL94 Fire Safety and Fire Protection regulations (EU).
