

Katrin System Hand Towel Roll Dispenser

82094

- Katrin System paper towel roll dispenser is suitable for washrooms with high frequency due to its high capacity.
- Capacity between 392 and 784 sheets - depending on paper quality - ensures there is always enough paper.
- Controlled consumption, minimal pulling resistance.
- Easy paper feed by pressing the PUSH button.
- Transparent sides make it easy to see how full the paper is.
- Easy to refill by opening the lid upwards.
- Closing function on both sides of the dispenser for more flexibility when opening.
- Free choice of using the locking function (with or without key).
- Functional design: the cutting mechanism is designed for low pulling resistance and prevents paper jams.
- Main raw materials of major plastic parts and lock: ABS (Acrylonitrile butadiene styrene), PC (polycarbonate), POM (polyoxymethylene).
- Comply with UL94 Fire Safety and Fire Protection regulations (EU).
